

Featured in the central stretch of road travel, Hoi An ancient town as a picture rustic, simple and poetic. Whether day or night, Hoi An tourism still in her alluring beauty differently. In addition to the cultural values through architectural diversity, Hoi An still preserves a cultural platform intangible quite bulky. The daily life of the residents with the customs, religious activities, folk art, cultural festivities with romantic natural landscape, specialty dishes... make Hoi An increasingly attractive guide visitors around the world

### **The appropriate time to Hoi An**

The climate in Hoi An are split 2-dry rainy season is very clear. Each season has a distinctive look. But according to our experience, then you should go to Hoi An in 4 intervals following:

- On the 14<sup>th</sup> lunar month: Extremely wonderful, extremely interesting if you go to Hoi An at this time. By accessing the full moon on the day, all the family in the ancient town of Hoi An will turn out the lights and light a lantern power. Therefore, you will see a beautiful spectacle that normally only occult see on a television. Not only that, the Festival, special music performances will not make you regret came to Hoi An where in this time period.
- February to April: At this time, the weather in Hoi An especially cool and pleasant. Very suitable for those who want to come here to rest, relax.
- May to July: This is the time near the end of the dry season in Hoi An, the weather is very nice if you go to the beach and Cu Lao Cham.
- October to December: If you want to experience the feeling of sailing in the old town, please come here they eat in this time period. Because this is the rainy season beginning in Hoi An ancient town under water, so that people have to travel by boat. But if you go at this time, so make sure that your travel plans will be hampered rains. So think carefully before getting into it this time.
